Greetings to the members and guests of the District 18 Toastmasters on the occasion of your 2010 Fall Conference. Thank you for the kind invitation to share this worthwhile event with all of my good friends from this renowned organization. You have picked a great spot to gather; Dutch's Daughter is an icon in Frederick County.

Friends, I know how much effort it takes to organize a useful event like this one. So I applaud the hard work of all those who spent so much time and energy assuring that this event is special for all who attend. It looks like a packed agenda!

Welcome to the City of Frederick!

On behalf of the Board of Aldermen and the citizens of this City, I welcome you to the historic City of Frederick. We are honored to have the Toastmasters International District 18 Fall 2010 Conference in our City. As the members of District 18 come together, allow me to commend Toastmasters International for the programs offered to assist individuals in developing leadership qualities and communication skills, both invaluable in reaching personal goals.

During your time here, I hope you will take some time to enjoy our City. Founded in 1745, Frederick is "where the past meets the present." The City of Frederick boasts a proud history including the Revolutionary and Civil Wars. Take a walking tour of our historic downtown area and you will see where Barbara Fritchie shook the flag at Stonewall Jackson and the final resting place of the author of our National Anthem, Francis Scott Key. The beautifully maintained historical architecture blends with our exciting Carroll Creek Project. Our downtown offers a diverse selection of restaurants and eateries as well as many wonderful specialty shops, art galleries and antique shops. From our treasured Weinberg Center for the Arts to our beautiful Baker Park, home of the largest musical instrument in Maryland, the Carillon, to Harry Grove Stadium, home of the Frederick Keys, our City is full of many wonderful attractions.

Please take some time to visit and enjoy the wonderful quality of life we enjoy in Frederick and we hope to see you often!

Sincerely,

Randy McClement

EDUCATIONAL SESSION – LEADERSHIP

Annelie Weber, DTM, PID

What Followers Expect from their Leaders

If you are a leader or wish to be a leader, then do not miss this session. Annelie will share some of her deep convictions of what it takes to be an inspiring and effective leader - one who earns the respect of those who follow. Effective leaders have certain traits that followers want, demand, and expect, such as encouragement, integrity, and empowerment. Leaders model the way; they coach and mentor their followers. Leadership is a set of learned practices and acquired skills and traits that anyone can master by building on previous experience. To be an effective leader it is never about you. Developing and “building” more leaders should be every leader’s passion. Being an effective leader should be every leader’s mission.

Annelie has been a Toastmaster for 30 years. Throughout those years, she has learned and observed what makes an effective leader. As District 18 Governor (2005-06), she led our district to “Select Distinguished” to #7 in the world and #3 in the US. She has just finished a two-year term serving Toastmasters International as a member of the Board of Directors.

In addition, Annelie has been in leadership positions in various non-profit organizations and knows what it takes to be responsive to followers to achieve missions – whether in Toastmasters or the workplace. So, be a difference maker and join Annelie in this interactive workshop. Bring your leadership questions and discover how all of us can achieve greatness together through involvement and commitment.
