District 18 Good Deeds Scavenger Hunt

Your task, gather 3-5 team members, designate a team name and elect a captain. Visit our District 18 Toastmasters website weekly to get an updated list of items to collect, events to attend and things to find. Once the items are collected and the scavenger hunt has ended bring your “team and your stuff” to an undisclosed location. The winning team will have accumulated the most points for their good deeds. Once the winning team is announced each member will receive a valuable prize.
