Issues affecting progress	<ul style="list-style-type: none"> • Membership renewal is an issue. 2 clubs are corporate clubs. One club is a college club. As a result of the college closing and the corporations having employees either working from home or laying off employees, members are not renewing • Another issue impacting membership is that members are being laid off resulting with little or no income. Toastmasters dues is not high on their list of essentials. • Some clubs are struggling having virtual meetings. They either are learning how the technology works or some do not have the equipment needed to log in. 	<ul style="list-style-type: none"> • Members are encouraged to renew. • Clubs are encouraged to continue to recruit new members • Identify resources to help members learn ZOOM 	Club officers Individual members
