2020-2021 Re-alignment Committee Report

The alignment committee met on April 22, 2020. We reviewed all the clubs in the seven divisions. We are recommending changes in 2 divisions. We feel the other five divisions are satisfactory at this time. Division F has a plan to focus on strengthening existing clubs, as we cannot be sure that lack of renewal payments is due to the current COVID-19 Pandemic. Geography and number of clubs per Area were the main focal points driving the recommendations. Area 42 is expected to have two renewing clubs, and Inspired Speakers was moved to Area 72 for proximity to the neighboring clubs in Division G. Newly chartered Good Hands Toastmasters Club # 07722856 will be placed in Division E Area 53.

Division A: No Change

Division B: No Change

Division C: No Change

Division D: Move Hollywood Toastmasters # 04430799 from Area 41 to Area 42

Move Aspiring Toastmasters # 00783413 from Area 43 to Area 42

Division E: No Change

Division F: No Change

Division G: Move Inspired Speakers# 07253658 from Area73 to Area 72

We left the Divisions in the same configuration at the current time because all is well.
