

Dear Friends,

Hope you are doing well.

I would like to take an opportunity to say Hello to each one of you and to introduce myself as your incoming PQD.

I have been a Toastmaster for almost 6 years, have played various roles in the club and at the district level. I have been active in various Education and Membership programs, have participated and won various contests as well as have been Chief Judge, Contest Chair and more from club level to District level.

I have been an active member of District 18 for a long time. Have served this beautiful District as Area Director and Division Director in the past and now I am excited to serve you all as your Program Quality Director.

While I will do my best to make the education and training opportunities the most exciting for you all, my vision is to see every single club as Distinguished Club and more than 50% members winning Triple Crown.

I want you all to plan quality meetings within your clubs, plan joint meetings and promote cross learning culture. Take maximum advantage of Toastmasters Pathways and all the wonderful trainings available across all 11 paths. Benefit yourself with more training and more speeches. Help each other with constructive evaluation and feedback. Let's not only become great Toastmasters, but also covert ourselves as heroes in our personal and professional lives by all that we learn in Toastmasters.

In 2023-24, something new that i want to do is INNOVATIONS. Let's find creative ways of doing club meetings, attract more members and grow as a team.

I'll come up with more ideas and programs in a few days. Not just that, I am all ears to hear inputs and suggestions from all of you.

Individuals and clubs performing well will be recognized and awarded appropriately. Detailed reward and recognition announcement will be done very soon.

Let's work together and make our District 18 the best we can.

**Let's rock!**

Sincerely,  
Saurabh Tiwari, DTM
