

DISTRICT 18 NEW BUSINESS FOR 2025 FALL BUSINESS MEETING: REMOTE LEADERS

District leaders have many opportunities to assist clubs and members in District 18, while also further developing their leadership skills. All District leaders must be active individual members of Member Clubs in good standing within the District where they are elected or appointed to serve and must be in good standing with Toastmasters International.

Remote leaders are District Executive Committee members who live in a registered domicile outside the District 18 boundaries. There are two classifications of remote leaders: fully remote and partially remote. A fully remote leader will not attend onsite events as required by the District, while a partially remote District leader will attend onsite events as required by the District.

The District 18 Council has the ability to determine if the District 18 budget supports remote leaders. By November 1 of the program year, the District Council will have an opportunity to enable fully or partially remote leaders for the following program year. Any decision made by the District Council remains in effect until changed. If the District Council enables remote leaders to serve, the council may specify which District Executive Committee positions can be fully or partially remote.

For reference, the District Executive Committee consists of:

- District Director
- Program Quality Director
- Club Growth Director
- Public Relations Manager
- Administration Manager
- Finance Manager
- Division Directors
- Area Directors
- Immediate Past District Director

The District Council will vote on September 14, 2025 whether District 18 should allow fully remote leaders and/or partially remote leaders to serve in the 2026-27 program year.
