- Master's, Technology Management
- Bachelor's, Information Systems
- CompTIA A+, Network+, Server+ (instructional experience)

CANDIDATE STATEMENT

I am running for Division Director because effective leadership, intentional collaboration, and a commitment to member success are essential to a thriving Toastmasters district. Over the past three years, Toastmasters has strengthened my communication and leadership capabilities, and I am committed to giving back by helping clubs and members reach their highest potential.

My leadership extends beyond Toastmasters. I serve as President of the West Chester–Coatesville Alumni Chapter of Kappa Alpha Psi Fraternity, Inc., where I lead strategic initiatives, community engagement, and organizational development. At SAP, I serve as a Team Coach at the Arts level and contribute to the Global Leadership Team for the Black Employee Network, supporting inclusion and leadership growth. I also serve on the Board of Directors for Chester County OIC, helping guide workforce development and community programs.

These experiences shape my leadership approach—structured, collaborative, and focused on measurable impact. In the coming program year, I will prioritize club quality, officer development, and member engagement, building a connected and empowered division where every Toastmaster feels supported and equipped to grow.
