Overall Division Status

Overall:

- Area Directors are conducting **club visits** and will submit their reports before the May deadline. In November, reports were submitted for 20 of 21 clubs. I expect 100% compliance for April/May.
- A **new club** was chartered in Area 16 in October 2025. A member competed in the Area speech contest.
- 14 of the 21 clubs are **corporate clubs** that tend to be less inclined to attend officer training, which brought down the Division A percentage of officers trained.
